■ Receival grade proposed at site*
□ Receival grade not proposed at site*

* Receival grades for the 2018/19 harvest outlined above are proposed only and are not to be relied upon. GrainCorp does not guarantee intake grades at any of its Country Sites based on this information. Grades are indicative only and subject to review and amendment during the pre-harvest consultation period. This information is intended to assist in the forward planning of harvest receivals.
